

DigiFarm VBN - Promo

Radio Trade in Form

Trade in a qualifying radio to receive a free year of VBN RTK service

- Trade in a qualifying, functional RTK radio from the approved list (see website) and receive 1 year free RTK service on the DigiFarm VBN network.
- All orders must be placed on the online store, store.godigifarm.com
- Must purchase a zero dollar VBN subscription under the promotions tab along with either a Beacon V3.0 kit or a DigiFarm modem kit with data plan.
- Trade in paperwork must be filled out completely
- Failure to send in traded radio within 30 days of ordering will result in suspension of RTK service. DigiFarm will contact the dealer or direct customer prior to suspension of services
- Promotion ends June 30th 2018
- Promotion valid in U.S. only

Radio Trade-in must be sent to the Illinois office and must include this form in the return packaging.

Ship traded radios to:
